

Inspiring a lifetime of rare experiences

Noonu Atoll - Maldives

Updated April 2019

## Inspiration in its Purest Form

An imaginative journey that began over two decades ago, the Soneva story continues with Soneva Jani, the brand's newest luxury resort offering. Inspired by a word that means 'wisdom' in Sanskrit, Soneva Jani encompasses a collection of water villas and island sanctuaries set within a lagoon of crystal clear waters, fringed by pristine beaches and blanketed in lush tropical greenery.

The highlight of the islands that the resort calls home is the 5.6 kilometre private lagoon that surrounds it; an awe-inspiring azure spectacle that inspires a sense of calm.

## Location

Soneva Jani, located in the Medhufaru lagoon in the Noonu Atoll, comprises five islands, the largest of which is Medhufaru, which is 150 acres in size. The resort can be reached by a scenic 40 minute seaplane flight direct from Malé International Airport, a 60 minute speedboat ride from Soneva Fushi, or by a leisurely full day cruise from Soneva Fushi onboard Soneva in Aqua.

## Stay

Guests will be treated to a unique 'castaway' experience within spacious villas, which feature beautifully designed interiors made from the highest quality sustainable materials.

Each Water Villa opens to its very own stretch of sparkling lagoon and is complete with a private pool. What's more, many of the villas feature slides from the top floor straight into the lagoon and have a retractable roof to stargaze from the master bedroom.

## Common Amenities

Our villas and reserves offer guests exclusive facilities to enhance the overall sentiment of intuitive and intelligent luxury, including private pools, outdoor decks and direct access to the lagoon.
